

Monkey IgG2

Cat No.:	07-01-1006
Product Name:	Monkey IgG2
Description:	Monkey IgG2
Type:	Protein
Property:	Recombinant Protein
Source:	HEK293
Applications:	Control Ab in various in vitro and in vivo applications
Formulation:	1 mg/ml in PBS (pH7.4), Edotoxin< 1EU / mg
Purity:	>95%
Storage:	Store at -80°C, Avoid freeze / thaw cycle.
Limitation:	For research use only, not for use in diagnostic procedures.
