

NP(Influenza A) ELISA Development Kit

Cat No.:	07-02-0134
Product Name:	NP(Influenza A) ELISA Development Kit
Description:	NP(Influenza A) ELISA Development Kit
Type:	ELISA Kit
Property:	ELISA Kit
Applications:	For the quantitative analysis of NP (Influenza A) concentrations in cell culture supernatants and serum
Storage:	Store at -20°C,Avoid freeze / thaw cycle.
Limitation:	For research use only,not for use in diagnostic procedures.
