

H3 Hemagglutinin Antigen ELISA Development Kit

Cat No.:	07-02-0136
Product Name:	H3 Hemagglutinin Antigen ELISA Development Kit
Description:	H3 Hemagglutinin Antigen ELISA Development Kit
Type:	ELISA Kit
Property:	ELISA Kit
Applications:	For the quantitative analysis of H3 hemagglutinin concentrations in cell culture supernatant and serum.
Storage:	Store at -20°C,Avoid freeze / thaw cycle.
Limitation:	For research use only,not for use in diagnostic procedures.
