

NS1(DV4) ELISA Development Kit

| | |
|---------------|---|
| Cat No.: | 07-02-0201 |
| Product Name: | NS1(DV4) ELISA Development Kit |
| Description: | NS1(DV4) ELISA Development Kit |
| Type: | ELISA Kit |
| Property: | ELISA Kit |
| Applications: | For quantitative analysis of NS1(DV4) concentrations in cell culture supernatants and serum |
| Storage: | Store at -20°C,Avoid freeze / thaw cycle. |
| Limitation: | For research use only,not for use in diagnostic procedures. |
