## hmallenberg Virus Nucleoprotein (NP) ELISA Development Kit

Cat No.: 07-02-0300

Product Name: Schmallenberg Virus Nucleoprotein (NP) ELISA

**Development Kit** 

Description: Schmallenberg Virus Nucleoprotein (NP) ELISA

Development Kit

Type: ELISA Kit

Property: ELISA Kit

Applications: For detection of Schmallenberg Virus infection in species

where the testing samples are derived.

Storage: Store at -20°C, Avoid freeze / thaw cycle.

Limitation: For research use only,not for use in diagnostic procedures.
