| Cat No.:      | 01-01-3168                                                                                             |
| Product Name: | anti-gp120(C.ZA.1197MB)(C )                                                                            |
| Description:  | anti-gp120(C.ZA.1197MB)(C )                                                                            |
| Type:         | Antibody                                                                                               |
| Property:     | IgG2b                                                                                                  |
| Source:       | Mouse                                                                                                  |
| Applications: | ELISA ,IP ,IF                                                                                          |
| Immunogen:    | DNA vaccine expressing gp145 (C.ZA.1197MB)(C ) protein<br>(a.a. 24-680) (Genebank accession AY463234). |
| Specificity:  | Strain specific                                                                                        |
| Purity:       | >95%                                                                                                   |
| Storage:      | Store at -20°C ,Avoid freeze / thaw cycle.                                                             |
| Limitation:   | For research use only ,not for use in diagnostic procedures.                                           |
