HA1(A/swine/Wisconsin/2/1966(H1N1))

Cat No.: 01-02-0317

Product Name: HA1(A/swine/Wisconsin/2/1966(H1N1))

Description: HA1(A/swine/Wisconsin/2/1966(H1N1))

Type: Recombinant Protein

Property: C-terminal 6xHis tagged

HA1(A/swine/Wisconsin/2/1966(H1N1)) protein (a.a.18-342)

(Genebank No. ABV82595).

Source: HEK293

Genbank No.: ABV82595

Applications: WB standard, antibody ELISA, immunogen

Formulation: Each vial contains 100 ug purified protein(1mg/ml) in

PBS(pH7.4).

Purity: >95%

Storage: Store at -80°C, Avoid freeze / thaw cycle.

Limitation: For research use only, not for use in diagnostic procedures.
