

HA1(B/Wisconsin/01/2012)

Cat No.: 01-02-0745

Product Name: HA1(B/Wisconsin/01/2012)

Description: HA1(B/Wisconsin/01/2012)

Type: Recombinant Protein

Property: C-terminal 6xHis tagged HA1 (B/Wisconsin/01/2012) protein
(a.a. 16-363) (see amino acid sequence below)

Source: HEK293

Applications: WB standard, antibody ELISA, immunogen

Formulation: Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4).

Purity: >95%

Storage: Store at -80°C, Avoid freeze / thaw cycle.

Limitation: For research use only, not for use in diagnostic procedures.
