NP(H1N1)(A/06/California/2009)

Cat No.:	01-02-0802
Product Name:	NP(H1N1)(A/06/California/2009)
Description:	NP(H1N1)(A/06/California/2009)
Type:	Recombinant Protein
Property:	C-terminal 6xHis tagged NP (A/06/California/2009(H1N1)) protein (a.a. 1-320) (Genebank Accession No. ACP41936).
Source:	E.coli
Genbank No.:	ACP41936
Applications:	WB standard, antibody ELISA, immunogen
Formulation:	Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4).
Purity:	>95%
Storage:	Store at -80°C, Avoid freeze / thaw cycle.
Limitation:	For research use only, not for use in diagnostic procedures.
