CAMBRIDGE BIO
Provider of Quality Products for Life Science

M1 (B/Yamagata/16/88)

Cat No.:	01-02-0820
Product Name:	M1 (B/Yamagata/16/88)
Description:	M1 (B/Yamagata/16/88)
Type:	Recombinant Protein
Property:	C-terminal 6xHis tagged M1 (B/Yamagata/16/88) (a.a.1-248)(Genebank Accession No. AAD29180)
Source:	E.coli
Genbank No.:	AAD29180
Applications:	WB standard, antibody ELISA, immunogen
Formulation:	Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4).
Purity:	>95%
Storage:	Store at -80°C, Avoid freeze / thaw cycle.
Limitation:	For research use only, not for use in diagnostic procedures.
