

## gB(VZV)

|               |   |
|---------------|---|
| Cat No.:      | 01-11-0040  |
| Product Name: | gB(VZV)   |
| Description:  | gB(VZV)   |
| Type:         | Protein   |
| Source:       | HEK293  |
| Genbank No.:  | Q4JR05  |
| Applications: | WB standard, Ab ELISA, immunogen, etc.                            |
| Formulation:  | Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4). |
| Purity:       | >95%  |
| Storage:      | Store at -80°C, Avoid freeze / thaw cycle.                        |
| Limitation:   | For research use only, not for use in diagnostic procedures.      |
