NP (Schmallenberg virus)

Cat No.:	01-05-0009
Product Name:	NP (Schmallenberg virus)
Description:	NP (Schmallenberg virus)
Type:	Protein
Property:	C-terminal 6xHis tagged NP (Schmallenberg virus) protein (a.a. 1-233) (see amino acid sequence below)(Genebank Accession No. CCF55031)
Source:	HEK293
Genbank No.:	CCF55031
Applications:	WB standard, Ab ELISA, immunogen, etc.
Formulation:	Each vial contains 100 ug purified protein(1mg/ml) in PBS(pH7.4).
Purity:	>95%
Storage:	Store at -80°C, Avoid freeze / thaw cycle.
Limitation:	For research use only, not for use in diagnostic procedures.
