Anti-gH/gL(VZV)(Clone RC)

Cat No.:	01-11-0218
Product Name:	Anti-gH/gL(VZV)(Clone RC)
Description:	Anti-gH/gL(VZV)(Clone RC)
Type:	IgG1
Property:	Human monoclonal antibody
Source:	Human monoclonal antibody
Applications:	Neut., ELISA, IP, IF
Epitope:	Not defined
Formulation:	Each vial contains 100 µg purified IgG in 100 µl PBS
Immunogen:	mAb isolated from Varicella zoster virus infected patient
Specificity:	Reacts with gH/gL of Varicella zoster virus. Cross-reactivity not tested.
Limitation:	For research use only, not for use in diagnostic procedures.
