5)(A/Green-winged teal/ALB/199/1991) Antigen ELISA Developm

Cat No.:	07-02-0142
Product Name:	HA(H12N5)(A/Green-winged teal/ALB/199/1991) Antigen ELISA Development Kit
Description:	HA(H12N5)(A/Green-winged teal/ALB/199/1991) Antigen ELISA Development Kit
Type:	ELISA Kit
Property:	ELISA Kit
Applications:	For the quantitative analysis of HA(H12N5)(A/Green-winged teal/ALB/ 199/1991) hemagglutinin concentrations in cell culture supernatant and serum.
Storage:	Store at -20°C,Avoid freeze / thaw cycle.
Limitation:	For research use only,not for use in diagnostic procedures.
