le yellow-shouldered bet/Guatemala/153/2009) Antigen ELISA D

Cat No.:	07-02-0147
Product Name:	HA(H17N10)(A/Little yellow-shouldered bet/Guatemala/153/2009) Antigen ELISA Development Kit
Description:	HA(H17N10)(A/Little yellow-shouldered bet/Guatemala/153/2009) Antigen ELISA Development Kit
Type:	ELISA Kit
Property:	ELISA Kit
Applications:	For the quantitative analysis of HA(H17N10)(A/Little yellow-shouldered bet/GT/153/2009) hemagglutinin concentrations in cell culture supernatant and serum.
Storage:	Store at -20°C,Avoid freeze / thaw cycle.
Limitation:	For research use only,not for use in diagnostic procedures.
