NS1(DV4) ELISA Development Kit

Cat No.:	07-02-0201
Product Name:	NS1(DV4) ELISA Development Kit
Description:	NS1(DV4) ELISA Development Kit
Type:	ELISA Kit
Property:	ELISA Kit
Applications:	For quantitative analysis of NS1(DV4) concentrations in cell culture supernatants and serum
Storage:	Store at -20°C,Avoid freeze / thaw cycle.
Limitation:	For research use only,not for use in diagnostic procedures.
